INNOVATIVE & COLLABORATIVE

At Qartba Arabia Co. Ltd., we lead in Civil and Electro Mechanical Engineering, specializing in storage tanks, structural steel, piping work, plant maintenance and industrial civil works. Our comprehensive services ensure excellence and precision from design to construction.

ABOUT OUR COMPANY

A BRIEF STORY ABOUT THE COMPANY

At Qartba Arabia Co. Ltd., our journey epitomizes innovation and dedication to excellence. As leaders in Civil and Electro Mechanical Engineering, we specialize in the manufacture and installation of storage tanks, structural steel, piping work, plant maintenance, industrial civil works, and dynamic mechanical tasks. Our comprehensive services cover every project stage, ensuring precision and quality from design to erection.

OUR EXPERTISE

- Design of Storage Tanks and Hot Rolled Structures
- Fabrication of Warehouses and Sheds
- Steel Infrastructure Fabrication and Erection
- Machining Services
- Ducting Systems
- Mechanical Refurbishment and Repair
- Formwork
- On-Site Erection of Steel Structures

SCOPE OF WORK

- Steel Structures Building
- Metal Ducts and Cladding
- Platforms, Fences, and Handrails
- Ladders and Spiral Stairs
- Pipeline Works
- Machining Services
- Silos
- Storage tanks - API 650
- Plant Installation and Maintenance
- Civil Construction
- Electrical Works

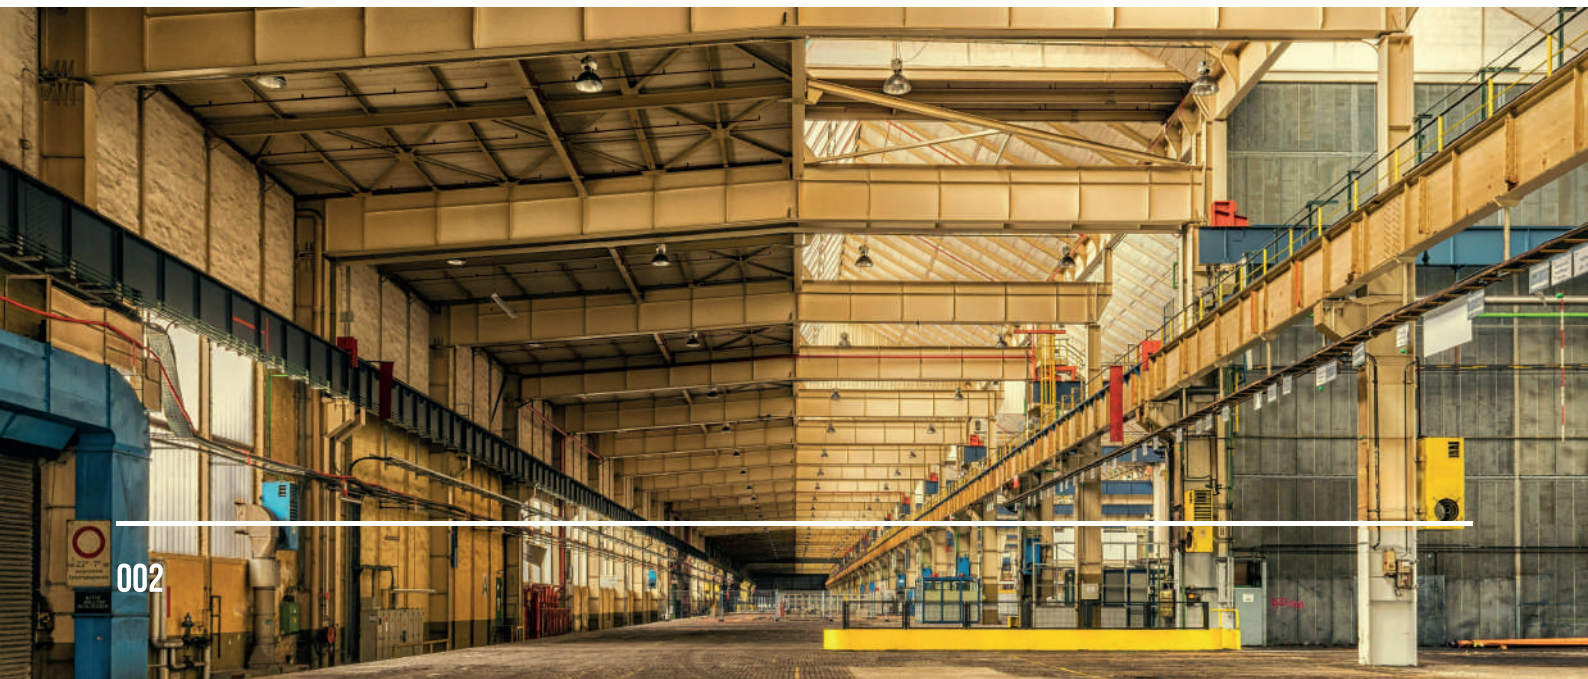

VISION

At Qartba Arabia Co. Ltd., our vision is to be internationally renowned for excellence and innovation in Civil and Electro Mechanical Engineering. We aspire to be the preferred partner for clients seeking precise, sustainable solutions. By embracing emerging technologies and prioritizing environmental stewardship, we aim to lead the industry toward a sustainable future, inspiring confidence and making a lasting impact on our communities.

MISSION

At Qartba Arabia Co. Ltd., our mission is to exceed client expectations through exceptional expertise, service, and quality. We foster a dynamic culture of innovation, collaboration, and continuous improvement. By building trust-based relationships and pursuing excellence, we aim to set new industry standards, inspire positive change, and shape the future of Civil and Electro Mechanical Engineering.

STEEL STRUCTURES

At Qartba Arabia Co. Ltd., we are industry leaders in steel structures. Our experienced and technical team specializes in designing, manufacturing, and erecting a variety of steel structures, including buildings, bridges, process industries, and factories, tailored to client specifications. Our in-house Engineering and Design Department utilizes cutting-edge computer design technology and software, such as AutoCAD and Tekla Structures, to prepare detailed structural drawings.

SILOS

Qartba Arabia Co. Ltd. excels in designing and manufacturing silos of various sizes and capacities. These silos, suitable for diverse applications, can be constructed from either mild steel or stainless steel to meet the specific requirements of our valued customers.

STORAGE TANKS

Qartba Arabia Co. Ltd. specializes in fabrication and installation a variety of tanks, including small portable ones and large vertical/horizontal models with specialized designs like fixed cone and double deck roofs. We strictly adhere to customer specs and international standards like API 650, providing full services for tank modification, refurbishment, and maintenance.

CIVIL CONSTRUCTION

Qartba Arabia Co. Ltd. provides Civil Works services for industrial projects, including foundation works, plant construction, and concrete storage tank fabrication. Our team ensures stability, durability, and safety compliance. From excavation to building robust facilities, we offer tailored solutions for various material storage. Focused on innovation and customer satisfaction, Qartba Arabia Co. Ltd. is your trusted partner for reliable Civil Works solutions.

INDUSTRIAL FOUNDATION

Qartba Arabia Co. Ltd. specializes in industrial foundations, providing stable and durable solutions for various projects. We adhere to safety standards and customer specifications, ensuring reliable and robust foundations. Trust Qartba Arabia Co. Ltd. for your industrial foundation needs.

CONCRETE STORAGE TANKS

Qartba Arabia Co. Ltd. specializes in aboveground and underground storage tanks. We provide durable, customized solutions to safely store various materials, adhering to strict safety standards and customer specifications. Trust Qartba Arabia Co. Ltd. for reliable storage tank solutions.

PLANT EQUIPMENT INSTALLATION

Qartba Arabia Co. Ltd. excels in Plant Equipment Installation for Energy & Power, Petrochemical, and Cement industries. Our skilled team ensure precise assembly of equipment like boilers, turbines, reactors, crushers, and conveyors, adhering to safety and quality standards. We offer comprehensive services from planning to commissioning, ensuring reliable and efficient operations. Partner with Qartba for exceptional plant equipment installation.

CEMENT INDUSTRY

Qartba Arabia Co. Ltd. excels in Plant Equipment Installation for the cement industry. Our skilled technicians ensure precise assembly of crushers, kilns, and conveyors, adhering to safety and quality standards. We offer comprehensive services from planning to commissioning, ensuring reliable and efficient operations.

PETRO CHEMICAL INDUSTRY

Qartba Arabia Co. Ltd. excels in Plant Equipment Installation for the petrochemical industry. Our skilled technicians ensure precise assembly of reactors, distillation columns, and other critical equipment, adhering to safety and quality standards. We offer comprehensive services from planning to commissioning, ensuring reliable and efficient operations.

ELECTRICAL SERVICES

Qartba Arabia Co. Ltd. specializes in comprehensive electrical works solutions for industrial projects. Our services include low and high voltage electrical work, electrical networking, installation of cable trays and electrical panels, termination of cables, and other related electrical tasks. Our experienced team ensures high-quality, precise services that meet industry standards. From planning and design to execution and maintenance, we prioritize safety, durability and compliance.

ELECTRICAL PANELS

Qartba Arabia Co. Ltd. excels in Electrical Works, specializing in the precise installation of electrical panels for industrial projects. From planning to maintenance, our team ensures high-quality, reliable solutions that meet rigorous industry standards.

CABLE PULLING

Qartba Arabia Co. Ltd. excels in Electrical Works, specializing in the precise execution of cable pulling for industrial projects. From planning to maintenance, our team ensures high-quality, reliable solutions that meet rigorous industry standards.
